## Facility Rental

Our tasting room, which can accommodate 150 people, features sweeping views of the vineyards and was built using a multitude of materials grown or gathered on the farm, including wood, stone, straw, and clay. The interior of the building includes a hand-crafted bar, an inviting fireplace, one-of-a-kind curly maple trees, a caterer-ready kitchen, ADA-compliant bathrooms, and 1,150 square feet of floor space. The site also features a covered breezeway of 430 square feet which can be enclosed to create a cozy sunroom on bright winter days or left open to catch the breezes during milder weather. The facility also includes a delightful back porch furnished with tables and chairs, speakers, and strung lights, making it the perfect location for large gatherings.
